POLICY AND PROCEDURES

Introduction

Sullivan County Tobacco Asset Securitization Corporation ("SCTASC") hereby adopts the following policy and procedures as it pertains to investment and deposit of SCTASC funds.

Scope

This investment and deposit policy applies to all SCTASC moneys and other financial resources available for investment on its own behalf or on behalf of any other entity when acting as agent for that other entity.

Objectives

- To obtain a rate of return commensurate with market conditions.

Authorization

The authority to deposit and invest funds is delegated to the Treasurer of SCTASC.

The Treasurer of SCTASC may establish written procedures which shall provide adequate internal controls to ensure a satisfactory level of accountability regarding the management of SCTASC funds.

Ethical Activity

All participants involved in the investment and depository process shall refrain from personal business activity that could conflict with proper execution of the deposit and investment program.

Diversifications

Safekeeping and Collateralization

Eligible securities used for collateralizing deposits shall be held by a third party bank, trust company or trust department of the bank subject to security and collateral agreements at the discretion of the SCTASC.

The security and custodial agreements shall provide that securities held by the bank or trust company or agent of and custodian for, the SCTASC, will be kept separate and apart from the general assets of the custodial bank or trust company.

The security and collateral agreement shall provide that eligible securities are being pledged to secure SCTASC deposits and investments together with agreed upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon default.
