

There is no better time than NOW to make a difference in your community by volunteering your time. With RSVP you can use and share your skills, talents and life experiences or develop new ones while serving in a variety of volunteer activities while serving your community.

RSVP Volunteers choose how, where, and when they want to serve with commitments ranging from a few hours to 40 hours per week. We also offer volunteer opportunities in the comfort of your home. We can find an opportunity for you with one of our 48 participating not-for-profit partners.

We empower Americans over the age of 55 to serve in our community.
